Soup Kitchen on All Saints Street in Frederick**

We are back at the Soup Kitchen tonight. Our homemade mac & cheese and ham continue to be a popular meal and it is great to see how much people enjoy it. Please come out and help, it's not too late to join us. The sign up sheet is on the table in the back of the church. Thank you for your continued dedication to this ministry.

Best of luck to all our youth who are participating in the events and classes at the Great Frederick Fair this week. We recognize you in your hard work throughout the year preparing for this week.

## Second Mile Giving For September

The Mental Health Association of Frederick County has served the community as a private, non-profit organization since 1965. A leader in creating services that respond to the changing mental health needs in our community, the Mental Health Association of Frederick County is a place where people can be heard and receive support. Their programs aspire to promote positive mental health and offer not just education, but the support and compassion needed to make real and lasting changes in the lives of those they serve. Your support enables them to provide suicide/crisis intervention, professional therapy services on a sliding scale basis, trained advocates for children in the foster care system, and child abuse prevention programs that strengthen and empower Frederick's children and families.

This is the World Premiere for the documentary film [Heroin's Grip](#). It's the story about the heroin and opioid crisis in Frederick County, Maryland, which is representative of what's happening around the country. It's a tragic story for many families and individuals in our county, but it's also a story about hope. Recovery is possible! This event is the first public screening of the film and will be attended by many of the local people involved in the production of the project.

Following the screening, there will be a question and answer session with the producers and others who appear in the film. Special thanks to our friends at [Center for Student Engagement at Frederick Community College](#) for providing the JBK theater for this special event! **NOTE:** a portion of the ticket sales will be donated to the Up and Out Foundation to help people in recovery!
