## Second Mile Giving For October

**Neighbors in Need** is a special mission offering of the United Church of Christ that supports ministries of justice and compassion throughout the United States. Two-thirds of the offering is used by the UCC's Justice and Witness Ministries to fund a wide array of local and national justice initiatives, advocacy efforts, and direct service projects. Through [ucc.org/justice](http://ucc.org/justice), our national Justice and Witness Ministries office offers resources, news updates, and action alerts on a broad spectrum of justice issues. Working with members of the UCC Justice and Peace Action Network (a network of thousands of UCC justice and peace advocates). Justice and Witness continues its strong policy advocacy work on issues such as the federal budget, voting rights, immigration, health care, hate crimes, civil liberties, and environmental justice.

Neighbors in Need also supports our American Indian neighbors in the UCC. One-third of the offering supports the UCC's council for American Indian Ministries (CAIM). Today there are 20 UCC congregations on reservations and one urban, multi-tribal UCC congregation in Minneapolis, MN. These churches and their pastors are supported by CAIM. CAIM is also an invaluable resource for more than 1,000 individuals from dozens of other tribes and nations who are members of other UCC congregations in the U.S.

**Neighbors in Need helps make A Just World for All possible. For this to occur, it needs your support.**
