## **Confirmation Celebration**

Join us on Pentecost Sunday, June 5, as Hailey Ogg, Mia Ogg, and Ellie Stevens affirm the promises made at their baptisms. We will celebrate after the service with a pot luck lunch. The main dish & drinks will be provided, please bring a side dish or dessert.

**1 Chronicles 16:24**—Declare the Lord’s glory among the nations and the Lord’s marvelous works among all the peoples.

**Mark 13:10**—And the good news must first be proclaimed to all nations.

**Matthew 28:19-20**—Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit and teaching them to obey everything that I have commanded you. And remember, I am with you always, to the end of the age.”

I’ve always liked the quote often misattributed to Saint Francis of Assisi: “Preach the gospel at all times; use words if necessary.” I love the idea that all we do can preach the gospel to others. Still, these verses are just a few of the those in our Bible that clearly tell us to *proclaim* the good news of God’s love to all people and all nations.

One of the ways that we can proclaim God’s love to others is through mission work. In partnership with Jefferson, UCC a group from Glade will be working at Sunset Gap in Cosby, Tennessee from July 31 to August 5. Sunset Gap is a Christian-based organization that unites people of all faiths by providing programs that contribute to the physical, social, economic, and spiritual growth of the Appalachian people. We will be helping with projects in their food pantry and thrift store as well as providing home repairs.

More information about Sunset Gap can be found at their website:

<https://sunsetgap.weebly.com/about.html>

If you would like to contribute to the work we will be doing, we are accepting donations of the following items for the food pantry:

Paper products	Diapers	Feminine Hygiene Products
Cleaning products	Toothbrushes	Toothpaste
Soap	Shampoo	

Monetary donations will also be accepted for supplies and items for the Food Bank.

And please keep our group in your prayers as we seek to share our faith through our mission work.

## Sympathy

Glade UCC sends our love and sympathy to the family of William Delaplane Powell, Jr., 82, who died April 7, 2022 on his beloved Arrowhead Farms in Thurmont, Maryland surrounded by his family and friends.

Born on March 3, 1940 in Frederick, Maryland, Bill was the son of the late Katharine Trundle Powell and the late William Delaplane Powell, Sr. of Walkersville, MD.

Bill is survived by his son, Dr. William D. Powell, III, husband of Jen, of Gaithersburg, MD, his daughter, Rev. Rebecca J.P. Hoover, wife of Rev. Matthew, of Reading, PA; three grandchildren, Katharine (Katie) A. Hoover of Reading, PA, William (Liam) D. Powell, IV and Henry A. Powell of Gaithersburg, MD; sister and brother-in-law, Peggy and Donald Trimmer, of Woodsboro, MD; numerous nieces and nephews; and special friend, Pam Ellison, of Emmitsburg, MD. Bill was predeceased by his beloved wife of 33 years, Gail T. Powell.

Bill was a cowboy, literally. His life's work centered around agriculture and cattle. After graduating from Walkersville High School, class of 1958, Bill attended the University of Maryland and served as a state president of the FFA. Bill served as the secretary/fieldman for the Virginia Angus Association. He then worked as the manager for REA Ranch in Texas and later served as a field representative for both the Drovers Journal and the Livestock Breeders Journal. Bill completed his career by spending 23 years as the East Coast regional manager for the American Angus Association. He traveled from Virginia to Maine and into Eastern Canada promoting the Angus breed and helping many develop their herds. Bill served as a mentor to many people in the cattle business and was quick to share his wisdom and experience. Throughout his work, Bill especially enjoyed encouraging young people interested in agriculture and Angus cattle and helping them grow into community leaders. In 1988, his family was named Maryland Angus Farm Family of the Year. In 2003, the year he retired, Bill was honored with the Livestock Marketeer of the Year Award at the National Western Stock Show and was inducted into the Virginia Association Hall of Merit. Finally, in 2020, he was quite honored to receive the Angus Heritage Award. Bill's measure of a person was the kind of beef they raised or ate, and for him, only one breed mattered - Angus.

Upon his retirement, Bill was active in the Thurmont community. He was a member of the Thurmont Grange, and along with his wife, Gail, was

involved with the Thurmont Community Show. Bill was a member of Glade United Church of Christ.

Ever the storyteller, Bill loved to tell stories, some of which were actually true. If he didn't know the answer to a question or was just feeling ornery, he had no qualms about making up a story to astonish or amuse his audience. Bill had an outgoing personality, a big heart, a wild sense of humor, and a fierce stubborn streak. He felt very blessed to live a good life doing work he loved and meeting countless people from household names to dedicated local community leaders and farmers. Like his mother, he had the rare gift of making friends throughout his entire life and took a keen interest in those around him. Bill impacted many lives in the cattle industry and in the local community and will be greatly missed.

The family wishes to thank Pam Ellison, Ashley Bartell, Hospice of Frederick County, and all of Bill's caregivers for their amazing support, dedication, and love over the past couple of years.

**Richard Joel Duncan**—Glade UCC sends our love and sympathy to the family of Richard Joel Duncan, known to his family and friends as "Rich," who passed away suddenly on Sunday, March 13, 2022. Rich was born April 6, 1972, in Hagerstown, MD.

He graduated with honors with a Bachelor of Science degree in Mechanical Engineering from The University of MD, a Masters degree in Business Administration from Frostburg State University., and was currently completing additional post graduate studies, and was awarded his diploma posthumously from University of Detroit Mercy.

Rich was a 'dreamer' with an entrepreneurial spirit, always pursuing a variety of interests. Early in his career, he created his own company, Castle Duncan, building safer ATVs. Throughout the years, his jobs offered him opportunities to travel and 'see the world,' the most memorable being several trips to China. He was currently employed by SAIC Pax River as a systems analyst engineer, developing projects for the U.S. Navy.

On a personal level, Rich was still "a kid at heart," known for his quirky sense of humor and corny jokes, playing endless family card games, brightening our days. He is survived by his parents, Leo and Becky Duncan, his brother and best friend, Dave, and his sister-in-law, Leigh.

Rich had a love for learning new things. In his memory, a scholarship to honor his life will be established through the Walkersville High School Alumni Association

## Care Givers

I will be honest, an afternoon has passed and I'm still staring at a blank page. My mind is in a fog and I am struggling to put together words of encouragement for a care-givers article. Instead, I want (and need) to use this space to thank all of you who have been so caring and giving to us since our loss of our son, Rich.

You have respected giving us our space to grieve and, yet, you have stayed connected in so many ways

---by sending cards and expressing your love and sympathy

---by being present

---by showing your concern

---by listening

---by sharing your hugs and sharing our tears

---by praying for us and our family

So, in essence, by your actions and by reaching out in love, you, yourselves, have beautifully "written" a care- giving article to us and we sincerely thank you. *Words fail...but love does not.*

Blessings!

♥ *Becky & Leo Duncan*
