Second Mile Giving for September

The Mental Health Association of Frederick County has served the community as a private, non-profit organization since 1965. A leader in creating services that respond to the changing mental health needs in our community, the Mental Health Association of Frederick County is a place where people can be heard and receive support. Their programs aspire to promote positive mental health and offer not just education, but the support and compassion needed to make real and lasting changes in the lives of those they serve. Your support enables them to provide suicide/crisis intervention, professional therapy services on a sliding scale basis, trained advocates for children in the foster care system, and child abuse prevention programs that strengthen and empower Frederick’s children and families.

Food Bank Items for September

Back to school days! Kids can’t learn when they are hungry; they do much better in school on full stomachs and good nutrition all day, every day. Yes, some get free breakfast and lunch at school, but what about after school and the evening meal? What about weekends and school holidays? The Glade Valley Food Bank addresses this need for families in our community.

Most needed items at this time are:

Boxed Potatoes	Soup	Macaroni-n-cheese
Hamburger Helper	Canned Pasta	Canned Meat
Canned Fruit (15 oz.)	Peanut Butter	Juice (64 oz.)
Cereal
