## October 2nd Mile Giving

This year's Neighbors in Need theme "Mental Health Justice for All: Mental Health is a Universal Human Right" highlights our God-given right to mental health. Everyone is created in God's image, and everybody should receive quality mental health care.

In 2015, the General Synod of the United Church of Christ passed a resolution to become **WISE (Welcoming, Inclusive, Supportive, and Engaged)** for mental health.

A just world for all is a world where the human rights and well-being of people with mental health challenges are respected, no matter who you are or where you are in life's mental health journey.
